There were 230 tickets sold yesterday for the C. and O.'s Cincinnati excursion.

The entertainment at Beechwood Park Casino is well worth all that one is asked to pay for it.

Mr. L. M. Mills is suffering with a sprained ankle. It is swollen double its ordinary size and is very painful.

At Carlisle Saturday the Maysville Volunteers defeated the Carlisle Champions in the eleven inning by the score of 7x6.

A first-class and substantial wall has taken the place of the tumble down affair in the rear of the county building and jail.

Louisville will have a horse show during the week of October 2d. Prizes aggregating between \$30,000 and \$40,000 will be awarded.

In the examination Saturday before the County Board the following averages were made—Miss Kathryn Desmond 89, Misses Agnes Guerin and Mijenn Devine 92 each.

Charley Roberts was in Ripley yesterday and while out riding with his best girl the horse scared at a passing automobile and upset the buggy. The occupants escaped injury.

Miss Jennie Schnelle of The Ledger Staff, accompanied by her guest, Miss Lulu McNamara, of Bourbon county, left Saturday night on the Queen City for the round-trip to Pittsburgh.

Mrs. L. C. Holliday of Cincinnati arrived yesterday on a visit to her sister, Mrs. Lucy Young of Clifton. While here she will arrange for the placing of a monument in the cemetery at her husband's grave.

Mr. Asa R. Burgess, a former resident of this city, suffered a ruptured blood vessel in his brain at Kansas City on Tuesday last, and for a time his condition was critical. At last accounts he could not talk coherently.

Mrs. Eva Lee swore out a warrant Saturday afternoon at Lexington for the arrest of Mrs. Anna Moynahan, charging her with malicious shooting at without wounding. Mrs. Moynahan, it will be remembered, attempted suicide at that place about two weeks ago.

Saturday Kirk & Rees shipped via L. and N. to Jersey City one double deck car of lambs. At the same time Kirk & Bryant and John C. Kirk shipped one car each to the same point. Mason county has furnished the Eastern market an unusually large number of spring lambs this season.

The employees of E. A. Robinson & Co.'s Limestone Cigar Factory left this morning on the trolley cars for an all day outing and fish-fry at Brooks's Bar above the city. Of course, it is understood that the fish for the fry will be caught with a silver hook. After putting in the day fishing, eating, wading in the water and sky-larking generally, they will return very tired and sore and the next day tell their friends what a holly time they had and the wonderful catch of fish they made.

Saturday evening Mr. A. M. Danbery made a trial trip in his trim little gasoline launch. The boat set on the water like a swan and ran like a frightened hound. It is the first of its kind built by the Maysville Foundry and Marine Ways Company of this city, and is but the beginning of what is hoped to develop into a large industry. There is no good reason why this city should not become a second Racine, Wis., in the building of such craft. The material and all essentials are to be found right here and hereabouts.

PAINFUL ACCIDENT

Mr. A. W. Williams Hurt at Ohio River Lumber Co.

Shortly after 7 o'clock this morning Mr. A. W. Williams, an employee of the Ohio River Lumber Company, met with a painful accident. He had just placed a keg of nails on the elevator at the second floor, when the wire cable parted, elevator, nails and man falling to the ground, some twenty feet.

The elevator was wrecked, and Mr. Williams struck against the edge of the lower floor, receiving an ugly scalp wound about four inches long, besides several ugly bruises about the forehead and breast.

Fortunately, his injuries are not dangerous.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

To Lighten Summer Sewing!

In the past we apologized for buying ready-made Muslin Underwear, and strong arguments were needed to induce us to purchase. Not so now. The sensible way to buy muslin underwear is ready-made. The steam driven sewing machines are fine pieces of mechanism. The twelve to eighteen hundred stitches they make in a minute are well done. Muslin is bought in carload lots---there are many other economies, and the result is you buy the pieces ready-made for just about what the muslins and trimmings would cost you.

SKIRTS AND CORSET COVERS---Two special needs in summer. You will be surprised what attractive skirts can be secured for \$1. What dainty Corset Covers for 25c. ORIGINAL poetry has its uses in a printing office in winter, although some of it is too soggy to burn.

WHEN CALER POWERS is removed to London for trial, it is hoped that the Jailer of Laurel County will be prepared for such an emergency as arose at Newport.

THAT Goebelism belongs to the dark ages is shown by its adherence to the old Latin contention that every man charged is guilty until he has proven his innocence. The Anglo-Saxon law presumes every man innocent until his guilt is proven.

THE Bourbon News laments Mayor HELM-BOLD's lack of judgment in the Caleb Powers incident at Newport, and then expresses this calm, considerate and judicial opinion as to the probable trial of Mr. Powers in the Federal Court—

"The Republican press of the state is very much elated over POWERS being transferred to the Federal Court, where he is bound to 'get justice and be acquitted.' It is enough to make one weep, when you think who is going to select the Federal Jury. Nobody but the Honorable ex-County Judge, ex-City Collector, ex-Lexingtonian, ex-Confederate soldier, ex-Democrat STEVE SHARP, now the Republican United States Marshal. Can any sane person believe that justice will be dealt out to POWERS in the Federal Court under such circumstances? Nit! It is a travesty on the word 'justice.'"

From the standpoint of the esteemed Paris Editor, Justice—with a big J—is possible only when 176 veniemen are summoned from Bourbon county, 173 of whom are bitter Goebelites.

It's barely possible that Auditor HAGER might find a rich crop of "graft" on the part of "Auditor's Agents" other than in the affairs of A. M. HARRISON of Lexington.

WHAT changes do take place! Instead of General KUROPATKIN "dictating the terms of peace from Tokio," the Czar is arranging for the safety of what is left of his hide from Portsmouth, N. H.,—in Uncle Sam's domain.

It is pretty well understood that Japan will, at the first dash out of the box, demand of Russia an indemnity sufficient to cover the entire cost of the war which Russia forced upon her. If this is refused the conference will end and Field Marshal OYAMA on land and Admiral Togo on sea, will continue the work of heathenizing the Christian Russians.

STATE INSPECTOR H. B. HINES is uncovering more evidence of work by A. M. HARRISON, the deposed Revenue Agent of the State-at-Large, of an alleged crooked nature. He has just returned from a trip to Powell county, where he was told that the Swann-Day Lumber Company had paid to Revenue Agent A. M. HARRISON of Lexington the sum of \$1,500 in full settlement of suits for back taxes on omitted personal property of the value of \$1,000,000 for the years 1901-1905, inclusive.

Political Pickings

"UNDER THE FORMS OF LAW."

Carlisle Mercury, Democratic.
Some of our exchanges state that Paul Hedlin, the ousted candidate for Representative from Fleming, will carry his case to the Courts or to the State Committee. He will find cold comfort at either place. The present election law was framed and enacted that just such things as are being done in Fleming might be done with ease and comfort. If Mr. Goebel had made the title of his bill "an act to enable frauds against the ballot to be successfully perpetrated," instead of "an act to regulate elections," he would have maintained that high character for frankness his friends claimed for him.

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."
Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.
This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way.

Uncle Sam's Financial Puzzle

How He Can Make His Employees Lose Money By Giving Them a Raise in Salary

WASHINGTON, PAUL.

That the tables adopted by the United States Government on July 1st, 1904, for determining the salaries of its various employees are fearfully and wonderfully made, is the view of many clerks who received promotion in the latter part of the month of February. For instead of receiving more pay on the last day of the month, they actually received less than if they had not been promoted at all. The anomaly is accounted for in this way:

A \$1,600 clerk serving for the full month of February would receive one-twelfth of \$1,600, or \$133.33; but if promoted on February 28th to \$1,800, he would then receive twenty-seven-thirtieths of \$133.33 (\$120) and one-thirtieth of \$150 (\$5), or a total of \$125 for the entire month. He would thus lose \$8.33 by being promoted.

The possibilities of the thing are best illustrated by a recent occurrence in one of the Government Bureaus, where the clerks are paid from a lump appropriation. The official in charge found that he needed the services of an additional clerk for the month of February. He thereupon made application to the head of his department for authority to employ one at the rate of \$600 per annum. That official, upon investigation, found that the state of appropriation would not warrant such an expenditure, and so advised his subordinate. The latter, however, was not discouraged, and set about to find a way to get around the obstacle.

He did it in this way:
On the first day of February he appointed Buster Brown at a salary of \$600. He waited until near the end of the month before he set the machinery in operation to raise the \$50 required to pay Buster his salary, and this is the way it was done.

He selected from the roster of clerks in his office one clerk in each grade to be promoted to the next higher grade on the last day of the month, the promotion to be for only one day. Thus, Willie Wiggins, a \$1,600 clerk, was promoted to \$1,800, and he forfeited \$8.33 for the privilege. John Jones was advanced from \$1,400 to \$1,600, and it cost him \$7.23.

Reggie Reynolds was elevated to \$1,400 from \$1,200 and he had to stand his landlady off to the tune of \$6.11 on his board bill. Birdie Blackeyes was popular in the Bureau and she went up from \$1,000 to \$1,200, but Birdie's pia money was shy just \$5 the next month as a consequence. Chollie Chagwater lost \$4.72 by going from \$900 to \$1,000, and Carrie Nation forfeited collateral to the amount of \$4.50 when she found that she had accepted an advance from \$840 to \$900. Fannie Bright discovered that his jump from \$780 to \$840 depleted his bank account to the amount of \$4.17, and Hank Hankinson found that his good fortune in being promoted from \$720 to \$780 had netted him a loss of \$3.83. The last of the unfortunate was George Washington, the messenger, who paid \$3.50 for a gold brick in the shape of a promotion from \$660 to \$720.

This made nine promotions in the Bureau and still the amount saved was only \$47.39 or \$2.61 less than the amount required to pay Buster his salary of \$50. How was that \$2.61 to be raised?

Nothing easier. Buster himself was promoted to \$660, and thereby received only \$46.83, of \$3.17 less than he would have received had he remained in the \$600 class for that one day, and the official in charge of the bureau has 56 cents left over for "necessary incidental items."

Ten promotions were made and the services of an additional clerk for one month were gained and the Government came out 56 cents ahead of the game by means of the salary tables authorized by Congress for use of the Government Departments.

During the last twelve months \$100,000 has been collected in the United Kingdom for the purpose of reviving the Irish language.

Why is EASY TASK soap so popular? Most housewives claim that it does better work and more of it with less labor than any yellow soap on the market. DEATHS

WILLIAM BLYTHE.
Mr. William Blythe, formerly of this city, died yesterday in a Cincinnati Hospital from injuries received by falling from the fourth floor of the Union Hotel in Front street in that city Saturday night.
The deceased was 64 years old, and besides a wife he leaves six children—Shelton, S. L., Strode Blythe and Mrs. Alice Power, all of Cincinnati, Mrs. Daisy Kammer of Hamilton, O., and Mr. P. H. Blythe of this city.
The remains were brought to this city last night and the funeral will take place this afternoon at 2 o'clock from the home of his son, Mr. P. H. Blythe, in West Second street, with services by Rev. Dr. C. F. Evans.
Four sons will act as pall-bearers.
Interment in Maysville Cemetery.

A WALKING ARSENAL

Was the Negro Arrested By Constable Chisholm Saturday

Constable M. C. Chisholm has had in his possession for some time a warrant from the office of 'Squire Dresel for the arrest of Harry Barnes, colored.
Saturday he spied his man in Market street and took him in tow.
On being searched at the Jail a revolver and two knives were found on his person.
Harry evidently had engagements for a hop or crap game that night and had prepared himself for the occasion.
It would astound the peaceable and law-abiding citizen were he cognizant of the number in this city, both white and colored, who carry about their persons either a revolver, knife, knucks or slungshot.
Instead of being \$25 and ten days in Jail it ought to be \$100 and one year's confinement at hard labor.
The person who thus arms himself in a civilized community is a wanton coward and a murderer at heart. The law is too lax in this regard.

"Acne" comes from the Latin "ager," a field, and originally was applied without reference to its size, the term being used in England indefinitely for a long period.

CAN'T BE SEPARATED

Some Maysville People Have Learned How to Get Rid of Both.

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of backache until you cure the kidney ache.
If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.
Doan's Kidney Pills make strong, healthy kidneys.
Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:
"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drug-store and try them."
For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no substitute.
